DOPPIO ZERO STELLENBOSCH

Wine Menu

Stellenbosch is the second oldest town in South Africa and this intensively farmed district is recognised as the wine capital of South Africa. The town is also referred to as the 'Eikestad' which translates to "Town of oaks".

The early settlers were encouraged to plant oak trees and the town's oak lanes bears testimony to this. The mountainous terrain, good rainfall, deep well-drained soils and diversity of terroirs make this a sought-after viticultural area. The district has been divided up into several smaller viticultural pockets which include the Banhoek Valley, Bottelary, Jonkershoek Valley, Polkadraai Hills and Simonberg-Stellenbosch.
